Dear Classic Boat Owner

CLASSIC RACE WEEKEND 6/7 SEPTEMBER 2014

The Haven Ports Yacht Club is holding a race weekend for Classic Boats over the 6/7 September 2014. It is proposed to hold one race on Saturday and one race on Sunday.

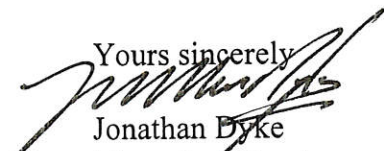

You will need to enter on the form to be found at <http://hpyc.com\racing\document> it is called the entry form and generic for the whole year, you tick the classes within the Club Regatta as a member or non member – the fee is mentioned. Fill all other relevant areas and return it. Paul Brant, the Sailing Secretary is very happy to be contacted at sailing@hpyc.com if you have any queries. Regarding handicaps, these will be addressed and more information will be requested, if required. On the web page you will also find the Notice of Race, Club sailing instructions and course information. Races will probably start from the Club line so check out the description of the line and perhaps walk over to the start hut and check this out.

The classic races start at 10.45. HPYC tend to use VHF radio so listen on M(37) as it is difficult to see the flags on the shore. There are lights on the line, the bottom counts when you are on the line. The course is given out on the radio so listen from 45 minutes or so before the start. Please note two marks are in the course even if not mentioned. They are the safe water mark at the Harbour entrance which must be left to the north and the Harwich shelf buoy which must be left to the west.

The HPYC classic weekend will be run in conjunction with other club events and enclosed is the club flyer outlining the schedule for the weekend.

Please email your entry forms for the attention of Paul Brant at sailing@hpyc.com as explained on the entry form. If I can assist further please feel free to contact me at Suffolk Yacht Harbour on 01473 659240 or email jonathan@syharbour.co.uk.

Yours sincerely

Jonathan Dyke
Managing Director
